VOL. 16 — NO. 51 WEDNESDAY, JULY 1, 1953 TORONTO, ONT.

Toronto JC's to Welcome Visiting Davis Cup Squad

TORONTO — Following its Davis Cup tie with U.S. in Vancouver, the Japanese Davis Cup team will be arriving in Toronto on Wed., July 15, at Malton Airport. This is what Roy Shin who is a member of the local Japanese Canadian tennis committee which is preparing for the team's arrival, unfolded under its conference with W. H. Reid, chairman of the Canadian Championship Committee, on June 29.

The Japanese—Jiro Yamagishi, Kosei Kano, Atsushi Miyagi and Masanobu Kimura—who will be in Toronto to play in the Canadian Tennis Open, July 18-26, at the Toronto Lawn Tennis Club, will be feted by local Nisei and Issei during their stay here. Fuz Fujiwara is chairman of the local committee which includes Roy Shin, Mait Matsui, Y. Iwasaki and others.

The team will likely be housed at a fraternity house at the University of Toronto and will be welcomed at Malton Airport by the Canadian Championship Committee and local JC group.

On Thurs., July 16 and Friday, July 17, the team will warm up and practice for the championships at the Badminton & Racquet Club and the Toronto Cricket Club. On July 17, the Nisei will hold a dance at the UNF Hall to welcome the Davis Cuppers.

The JC committee is planning to hold an exhibition on Sat., July 18, probably at the R[illegible] Tennis Club, from 1 to 7 p.m. The opponents of the Japanese will be top Ontario players and one ranking Canadian Davis Cup players, and possibly some foreign stars. The top-ranking Canadian Davis Cuppers [illegible] Montreal in their Cup tie against Mexico and will therefore be not able to meet the Japanese in the exhibition.

Also on July 18, the committee is planning a banquet in honor of the Japanese. Officials of two tennis groups in Toronto will be invited to the affair.

The Davis Cuppers may attend the Toronto JCCA's annual Community Picnic at Tarmola on Sunday, July 19, and would be an attraction there, although, of course, they will not play.

On July 21, the committee hopes to take the players on a tour of Niagara Falls. Another feature that the committee is hoping to arrange is a practice and coaching session by the players for local Nisei enthusiasts of the game during their stay in Toronto.

The Japanese will actually swing into action in the Canadian championships on July 20. Some of the highest ranking court stars from all over the world will be on hand. Dick Savitt, last year's singles and doubles and mixed doubles title holder, as well as Melita Ramirez of Mexico who also scored a clean sweep, are expected to play.

Other luminaries will be Australia's Rex Hartwig and Mervyn Rose, and Mexico's Felicissimo Ampon. Invitations have been extended to Art Larsen, Gardner Mulloy, Vic Seixas, Althea Gibson and Maureen Connolly of U.S. Canadian players such as Lorne Main, the country's No. 1 Davis Cupper, will be on hand.

RAISE $127 FOR PRINCE

KAMLOOPS, B.C. — Total donations received for the welcome of Crown Prince Akihito in Kamloops reached $127.50. Expenses amounted to $98.18.

Japan Enters Films In Venice Festival

TOKYO — Japan will send three entries to the 14th Film Festival to be held in Venice, Italy, from August 20.

They are Daiei Motion Picture Company's "Ugetsu Monogatari" (Tales in a Rainy Month), based on a spirit's love story written 200 years ago; the "Himeyuri no Tō" (Tower of the Lily), story of wartime schoolgirls on Okinawa and the Toho Company's "Tabiji Soyokaze" (Journey Is A Breeze), the story of a vagabond. Daiei produced the grand prize winner "Rashomon."

Mori Leaves for Japan, Heads for Vancouver

Leaving Toronto via train on the first leg of his trip to Japan June 28 was Ken Mori, associate editor and advertising manager of The New Canadian.

Mori is expected to leave Vancouver on July 4 aboard the [illegible] Pacific Airlines for [illegible]. His airplane trip to Japan was arranged through [illegible] CPA. He will spend one [illegible] in Japan touring most of [illegible] country.

[illegible] impressions of Japan will [be car]ried in the Japanese Section of The New Canadian.

Quebec JCCA Submits New National JCCA Body For Approval, Hiroshi Okuda Elected President

MONTREAL, P.Q. — Likely assuming the duties of the National Japanese Canadian Citizens Association for the next two years will be a nine-member National Executive Committee headed by President Hiroshi Okuda. Approval of the executive members is now being awaited by the Committee from the provincial chapters of B.C., Alberta, Manitoba and Ontario.

Besides President Okuda, other members are Ya Kato, first vice-president; R[illegible] Nishio, second vice-president; Toyo Ebata, executive secretary; Kim Nakashima, [illegible] secretary; Amy Uchida, treasurer; Yoshio Ono, Sam Toguri and Mike Ochiai.

Okuda is a veteran JCCA worker, having been National JCCA treasurer since the beginning of the organization in September, 1947. He has been past president of the Quebec JCCA and presently handles Quebec JCCA correspondence to the National JCCA.

Mr. Kato is a recipient of the JCCA Gold Pin, an award given to outstanding JCCA workers. [illegible] is the rest of the proposed executive committee members, is the present Quebec JCCA treasurer. Miss Nishio is welfare convenor of the Quebec JCCA.

Kim Nakashima, a past president of the Quebec JCCA, is presently public relations officer and editor of the Montreal Bulletin, a JCCA organ. Amy Uchida, an active Quebec JCCA worker, has been recording secretary for the past two years. Yoshio Ono is secretary of the Japanese Division. Sam Toguri, present Quebec JCCA president, was the chapter's lone delegate to the Fifth Conference in Vancouver. Mike Ochiai is general secretary for Quebec. Toyo Ebata is also a veteran JCCA worker.

Following approval of the provincial chapters, the committee will assume its duties from September, 1953. The Quebec JCCA is the first provincial chapter to take over national headquarters on the rotating basis decided upon by the Fifth National Conference in April. They will carry on the work of the National JCCA for the years of 1953-54 and 1954-55.

Previously, national headquarters had remained in Toronto since 1947, the work being carried out by a national executive committee and full time executive secretary. The only paid member under the new system may be a part-time secretary, the budget allotting $700 for wages.

Tor. JCCA to Discuss Relief to Victims Of Japan's Flood

The Toronto JCCA and Issei Division will hold a joint officers meeting on July 2 to discuss the possibility of relief to victims of southern Japan's most disastrous flood now raging in Kyushu Island.

Flood waters following seven days of torrential rains have forced the evacuation of the cities on Kyushu, and at the latest count 457 are dead, 816 injured, 776 missing and 1,000,000 homeless.

National police described as unprecedented the number of dead and missing. Reports said that all 488 inhabitants of one village were believed lost when the Chikugo River burst its banks and swept away the houses.

Both Fukuoka, the island's largest city with a population of 392,649 and nearby Moji, with 124,000, were deserted by residents seeking higher ground.

NOTED JAPANESE ECONOMIST HOPES JC'S WILL BE EVENTUAL LINK BETWEEN CANADA-JAPAN TRADE

Dr. Ichiro Ishikawa, noted Japanese economist and industrial statesman, who stopped over in Toronto on June 25 after attending the 14th Congress of the International Chamber of Commerce at Vienna, Austria, as Japanese chief delegate, said that Japanese Canadians could become a link in trade relations between Canada and Japan.

He addressed over 100 persons at the Canadian Legion Hall in a meeting sponsored by the Toronto JCCA Issei Division. His comments on trade and allied problems were also discussed in a [illegible] column by Globe & Mail Financial Editor, Wellington Jeffers, last week.

In speaking of exporting to Canada, Dr. Ishikawa said: "One thing that encourages us is that those Canadians of Japanese descent who met certain difficulties during the Second World War are now beginning to come into their own. That broadminded policy here reflects the knowledge that they are good Canadian citizens, not Japanese at all, but we hope that they will be a link eventually in growing trade and relations between the two countries."

Among other things, he is the president of the Federation of Economic Associations, director of Japan Federation of Employers' Association, president of the [illegible] Electro-Chemical Industries Co. Ltd.

He was accompanied to Vienna by 30 Japanese delegates and during his stay in Europe, studied how European countries are making [illegible].

Handful of Evacuees Remain in Moose Jaw

By GENICHI OHASHI
NC Staff Writer

Moose Jaw, Sask.

Greeting to all NC readers and friends back on the Pacific Coast, especially in Steveston and Vancouver, from this flat and rainy province of Saskatchewan. For the second time in the past decade, CP Transcontinental has [illegible] out of Vancouver, bringing me to what I think is the friendliest and cleanest little city in Canada—Moose Jaw, a city little known to Japanese Canadians at the time of the evacuation.

Moose Jaw, presently celebrating its Golden Jubilee Year, became known to many of the [illegible] Japanese Canadians when the Department of Labour, under [illegible] Davis and Jack McK[illegible], opened up the Japanese H[illegible] [illegible] JC's. Since 1946, according [illegible] closure of the H[illegible] [illegible] tered through [illegible] Canada from the Pacific to Q[illegible] [illegible] few families and individuals [illegible] somewhere in this CCF-governed province.

Nisei Wins Award Will Enter Univ. of B. C.

SURREY, B.C. — Winner of the Surrey [illegible] Scholarship valued at $[illegible] was Toshi [illegible] [illegible] of Queen Elizabeth High School [illegible] University of B.C. [illegible]

He [illegible] of Mr. and Mrs. [illegible] Surrey, B.C., [illegible] of Port Meadows, B.C.

Hope Free Liquor To Smash Bootleg Market

AKITA — The Yokote tax office and the liquor shop owners in Akita city joined in sponsoring a "free liquor day" to imbibers of sake (rice wine) and shochu (Japanese vodka) last month in a campaign to eliminate bootlegging activities which have been rampant in the area.

The idea behind the project was to [illegible], tax requiring [illegible] and try to convert [illegible] of the tax-evading [illegible] [illegible] but the general consensus was that the [illegible] would only be good for the [illegible] day the free liquor lasted.

First Nisei Convicted Under Smith Act Await Sentences

By LAWRENCE NAKATSUKA

HONOLULU, T.H. — The first Nisei in the United States to be convicted under the Smith Act are waiting to be sentenced in a Honolulu Federal court while their attorneys are preparing to ask for a new trial.

Four of the seven defendants are Nisei. All seven were found guilty on June 19 by an all male jury that deliberated 16 hours to climax a trial that began last Nov. 5.

The defendants were convicted on conspiring to teach and advocate the violent overthrow of the U.S. government. They face a possible penalty of five years in prison, $10,000 fine, or both.

The Nisei, all Hawaii-born are: Charles K. Fujimoto, 35, a former soil chemist at the Univ. of Hawaii; his wife, Eileen T. Fujimoto, 32, a stenographer; Koji Ariyoshi, 39, editor of a weekly, the Honolulu Record; and Jack Denichi Kimoto, 47, an employe of the Record.

The other defendants are Caucasians:

Jack W. Hall, 38, Hawaii regional director of Harry Bridges' International Longshoremen's & Warehousemen's Union; Dr. John E. Reinecke, 48, a former Honolulu school teacher, and Dwight James Freeman, 41, a construction worker.

Hall is married to a Hawaii-born Nisei, the former Yoshiko Ogawa; Reinecke is married to another Hawaii-born Nisei, the former Aiko Tokimasa.

The jury of 12 men included three Nisei: Robert M. Nakamura, an insurance underwriter; Robert T. Uyeoka, an electrician, and Thomas H. Kawakami, an automobile salesman. All live in Honolulu.

After the verdict was delivered each juror was polled individually, and each replied he had reached a finding of guilty on each of the defendants.

The trial was the longest criminal trial in Hawaii's history and the second longest of the five Smith Act trials held throughout the country so far. Only the New York trial of the 11 top Communists, which lasted nine months, went longer than the Honolulu trial.

Fujimoto is the only one of the seven defendants who has acknowledged his Communist affiliation. He describes himself as chairman of the Communist Party of Hawaii.

None of the others have testified on that point. None of the seven took the stand in their own defense during the seven and a half month trial.

Mrs. Fujimoto, the lone woman defendant, is employed as an office worker by Bridges' militant left wing union, the ILWU.

The defendants are free on $5,000 bail each, while a battery of four defense attorneys is preparing to seek appeals through various legal avenues. A. L. Wirin, Los Angeles attorney who has figured in numerous Nisei cases here and on the Mainland, is one of the defense attorneys.

CRITIC SAYS NISEI GI'S ARE LOVERS TOO

Los Angeles, Calif.

Crisis, official publication of the National Ass'n. for the Advancement of Colored People, featured a review of "Go for Broke" in a recent issue. Reviewer George Yamada said that the story was impregnated with the "old, stereotyped pattern". He noted that Van Johnson's conversion "from bigot to a good fellow" lacked sincerity, feeling and pathos. He observed that while the Caucasian soldiers carried amorous relations with the Italian lassies in the picture, "the almond-eyed GI is apparently a stoical Oriental unpreoccupied with such peccadilloes" when it was a fact that Nisei GI's brought home Italian war brides.

ON THE PRAIRIE

(Cont'd from Page 1)

Moose Jaw, incidentally, is the centre where I started writing for The New Canadian in 1947, along with James Tadao Hori who is now hibernating in the woods of British Columbia's heavy forest near the Southern Alberta boundary.

Now in the summer of 1953, Moose Jaw's Japanese Canadian population stands somewhere around 60 to 75, half of the number having resided in the city prior to the Hostel opening. The JC population is a mixture of young and old, only a handful between the ages of 18 and 25. Percentage wise, Moose Jaw has just as much JC's as the city of Vancouver which presently has about 1,100 since Moose Jaw's population is 27,000.

NO BIAS HERE

In regard to occupation, I find that there is no discrimination towards Japanese Canadians in this "Friendly City" and they may be seen in restaurants (mainly in the Exchange Cafe and Tea Garden), hotels, woolen mill, Robin Hood Co. and British-American Oil Co. In speaking of the Exchange Cafe which employs about 60 persons, I find after having travelled between Winnipeg and Vancouver that I have never seen a more beautiful cafe. And the food served up by the Charlie Wong-operated concern, is definitely the "best in the west."

There are a few JC-operated businesses in this city. There is a dental laboratory, cleaners, grocery, greenhouse and hotel.

When the M.S. Hikawa Maru departs from Vancouver on August 15, on its first postwar passenger ship run between Vancouver and Yokohama, Mr. and Mrs. [illegible] Okada of Moose Jaw will be aboard the boat. They are two of the longest residents of the city and they will be visiting their homeland for the first time in years.

One of the most pleasant social sidelights of my two-month stay here has been the attending of the wedding of a former schoolmate at Tashme relocation centre, Kazuko Kojima, who became the bride of Robert Nakashima recently. The latter is the top JC bowler in Saskatchewan.

NISEI WRESTLER

Speaking of top players, 40 miles east of here in Regina is one of the best Nisei wrestlers in Canada, 147-lb. Roy Ohashi who is now teaching many Occidentals as well as performing in Moose Jaw and Regina. 23-year-old Ohashi who is just as popular as Kinji "Mighty Kojo" Shibuya in the rings, is also the operator of the flourishing O'Hash Tire Shop on Albert St. in Regina.

In Regina, where there is less than 100 Japanese Canadians, there are five JC's employed by the CCF Government, among them being Tom Shoyama, former editor of The New Canadian. Latest to join the civil service is Thomas Tamaki, a University of Saskatchewan graduate. Also with the government in the "Queen City" is the 1953 Governor-General Medal winner from the U. of Saskatchewan, Arthur Wakabayashi of Saskatoon. He is with the auditing department.

At the Golden Jubilee Exhibition in Moose Jaw which just concluded its stand on July 1, little Nancy Nakano took part in the Ukrainian dances. When this girl performed on that stage, I recalled the fine performance in [illegible] by the [illegible] sisters in the last year's Pacific National Exhibition [illegible] Theatre in Vancouver.

The Lady Is A Pick-Up

She's only a pick-up but once you've known her, you'll seek her again.

Perhaps you won't understand. But in every man's life there comes a time when the responsibilities which he accepts as part of his manhood, as part of his share in the scheme of things become restrictive and confining, and the part of him which he has suppressed as a dream—a figment of his own imagination—must become reality if he is to breathe again.

There have been other women in my life—women who have stirred within me a gentle protectiveness. Others there were who have piqued my curiosity with their aura of brooding tragedy, their aloofness, and I must confess that I have followed, sometimes not too wisely. But with time, like other pleasant things, they have come and they have gone. But not this one woman. She remains always filling a need—always a reality.

• • •

I picked her up one day. She was leaning over a fence, her long, slim legs tanned a golden brown, chewing the end of a blade of grass, watching the road hogs trying to break 75. I was doing 80 myself when I got a blow-out. I was hot. I had business to do in the next town, and a blow-out was something I hadn't accounted for. And as I crawled under the car to jack it up, I let fly a few choice expletives. And then I heard her deep, throaty laughter.

"What's so damned funny?" I growled, a little put out that anyone could laugh so deeply as if life were deeply and completely satisfying. "If you want to be helpful, you might lend a hand."

"Sure thing!" she said, as she leaped over the fence. And there she was, jacking up Cleo as if changing tires were as simple as combing her hair. I took in her profile, noting the deeply golden skin, one pepper shaker's shake of freckles across the bridge of her straight little nose, the mobile mouth, crimson, full-lipped and made for laughing.

"Well, Butch..." she said, as informal as that... "It's O.K. now. Better check her when you get to town."

She was casual, with a "take it or leave it" attitude. I took her and discovered a woman I shall never forget.

• • •

Here is a companionship as casual as the summer breeze which ruffles her hair, and as refreshing as when it blows across one's face on a hot, sticky day.

Her charms are those which come with maturity of outlook and of experience. O, she's been around. She's had just enough hard knocks to make her wise without becoming bitter. She knows what life is all about for she's learned that it is essentially sad, but she's young enough, bouyant enough and practical enough to enjoy the present. And she enjoys a fellow in exactly the same way. She accepts me as I am... no more and no less.

She's completely a happy woman. She's as direct as the summer sun, as adaptable as a reversible raincoat, and as reassuring as an early sunrise after a dark, turbulent night. She'll sit with you in the hot sun, rooting like mad for your favorite baseball team, just as happy with hot-dogs and a bag full of French fries today as she was the night before sipping dry Martinis and ordering an expensive caviar. And if you're in the mood, she'll match your stories with hers—tall stories which skate around the edge of naughtiness and you'll find yourself laughing a deep belly laugh—the kind of laugh you'd almost forgotten you were capable of.

And she's susceptible to romancing, but she takes it like she takes me—casual and easy and not too serious. She'll go along with you, wish on a summer moon, take a walk through lover's lane, dream before a campfire with you as you watch the embers die, even let you whisper a little love to her...

• • •

She is relaxation. She has the child-like capacity for giving herself wholly to one given thing, enjoying it completely, and forgetting as quickly. She'll stretch her long, lithe [illegible] afternoon sun, nuzzle her nose in a towel, and fall fast asleep oblivious to your adoration... and with her gentle breathing [illegible] thing of stillness enters you. You see vast vistas of [illegible] remembering events and dreams of days when you were [illegible] in by the worries of a work-a-day world...

And things which she has said come back to you. The [illegible] of breakers which she pointed out to you... you hear it now [illegible] and receding, up and back... sounds you'd almost forgotten [illegible] the sea gulls which her eyes had followed, and [illegible] you remember how, as a youngster, you tried to put [illegible] of a sea gull into a poem... and you remember other things [illegible] when you were just a kid... and when you thought [illegible] grown up... and suddenly too, you feel you can [illegible] it was good, it still is good...

And the reality of this woman beside you stirs you [illegible] you will come back and she will [illegible]

佐藤垢石

為吉を、救出に行かねばならないといふことになつた。分家い方からも、康辛大盡からも、總領さんの家の方からも應援隊がやつてきた。いづれも手に鎌、鳶口、鋤、ナタを持つた。提灯を、持ち出す者もある。十五六人の若い者は一團となつて、村と河津の間にひろがる田ぼの方へ繰り出した。

二時間ばかり探したが、つひに為吉の姿は見えない。一同は、提灯を圍んで今後の搜索方針について、協議してゐた。ところが、直ぐそばの大根畑のなかから、だしぬけに、

『旦那さまァ――』

と、いつて幽靈のやうな姿で、為吉がよろめきだしてきた。

『あッ、為吉ッ、なにしてゐたッ』

見ると、為吉は頭から野良着まで、からだ中がびしよ濡れになつてゐた。そして、たゞ、びしよ濡れになつてゐるのではない。野良着からも、頭からも妙な惡臭を放つのだ。

『為吉、お前なにしてゐたんだよ』

『………』

為吉は、腑抜けのようになつてゐて、なにを問ふても答へない。たゞ、眼をむいてうつとりとしてゐるだけだ。

家の庭へ連れてきて、臭い野良着を脱がせ、頭から足の先まで、丁寧に泉で洗つてやつて、きたなさを取つてから、焚火をたいて為吉のからだを暖めた。さうして一刻ばかりたつと、為吉は正氣に返つたらしい。ぼつぼつと、おぼろげな記憶を辿つて語るところをきくと、かうである。夕方になつて、西の空へ宵の明星が光りだしたから、そろそろ仕事をしまつて家へ歸らうと思つてゐると、直ぐ相向ひの桑畑に、隣村の源助が立つてゐて、おい為吉お前は里芋のゆでたのはさらひかと問ふのだ。自分は、ちやうど腹の減つた時刻であるから、大好きだと答へると、欲しければ、ここへきて食へといふのである。そこで自分は、桑畑のそばへ行つて、ザルに入つてゐるゆで芋を、たらふく食つた。

カナダの紹介放送

日本放送協會が三十分に亘り

【東京、今澤發】六月十四日(日)の日本放送協會の放送で夜十時十五分から『今日の世界』(世界各國の現狀と日本の生活につながる出來事を知らす番組)のプログラムにカナダがとりあげられた。アナウンサーによってまずカナダの歴史、カナダ總督の地位、英國よりも米國と結びつくカナダの經濟が紹介され、續いて前バンクーバー領事安川壯氏のアナウンサーとの對談(その中で安川氏は二世には戰前ほどの職業上のハンデイキャップのないこと、カナダ人は米人ほどリスクをかけた仕事をやる氣慨に缺けていると述べた)

それが終つてアナウンサーはカナダが禁酒國であること、フランスの勢力は東部に殘つていてフランス語の廣告がモントリオール(クベック州全体)に多いことと、ナイアガラの水しぶきは數十キロはなれてもみえると語つた。(その間ナイアガラ瀑音が聞える)この間に二つの民謡レコード「燕」と「私の畑はチツポケだ」

最後に評論家中野五郎氏の話――カナダは惠まれている。資源はもとより地理的位置からも國民性からも、こんな靜かな平和な國は日本人には不思議に思える。しかしカナダとて米ソ對立の外には立てない。國連軍にも參加しているし、原子力工場もあるので。カナダの進步的國際協定の態度(最近ピアソン外相が中共承認を要請した事實)は日本でも好感を以て迎えられている。カナダ首相の發言は英連邦の一員としてまた米國と經濟的に兄弟關係にある國の立場から世界の調停役として重要であろう。

以上がその要旨であつた。ともかく皇太子の訪加に續いて最近日本人にカナダを紹介した點では聞き逃せない放送であつた。

雑 録

石川一郎氏の話

梅 月 生

先週私、これは偉い、と感銘を受ける人に會うことができた。日本の經濟團体連合會の會長石川一郎氏（秘書の鄭裕弘氏、同會の國際部長を同伴）である。

石川氏は過般オーストリア國ヴィエナで開かれた世界商工會議所大會に出席しての歸途、カナダに立寄つたのであるが、オタワの日本大使館からの知らせで、石川氏のトロント訪問を機會に、市協一世部主催で二十五日夜、同氏の講演會を開いた。若い時ではある、だいたい、私たちには餘りよく知られていない人でもあつたので、參會者も豫期した程ではなく、石川氏も、歐洲旅行で受けた印象を簡單に述べ、カナダという大きな將來のある國に居住する日系人の奮闘努力を希望し、それがやがては日加間の貿易增進、親善強化の上に、大きな寄與となるものであることを強調し、日本のことに關する質問にきびきびと直言的に應答した程度で、短い時間で集會は終つたのであつた。

講演會後のお茶の會、その翌日夕飯によばれた時に、私はもつと多くのことを聽くことが出來たのであつた。石川氏の據り場は、「新資本主義」と唱えられている自由經濟主義だとのことである。我欲一點張りの舊來の資本家的態度は排するけれども、主要產業を國有に移して官吏の手にこれを委ねることは彼等の能力や官僚的な點から反對する。共產主義には勿論、とくにその獨裁的な點から大反對する――という立場をとつているのである。非常に多くの經濟團体、財政機關その他に關係し世話していて、日本の食糧問題を考える上から、日本人のダイエット（日常食）の變改、日本中の道路の改修等のことまで考え、指導して居られるそうである。

トロントの朝刊紙の經濟記者ジェスター氏が、石川氏との會談記を二段抜きで、二日間に亘つて紹介しているのは全く異例で、これを見ても石川氏の話が重く取られていることが判る。その內容は次號に紹介したく思つている。

さすがは太平洋

來る七月十一日には、加州のサンディエゴ港から、風變りな船が出帆することになつている。カリフォルニア大學のスクリップス海洋學研究所の探檢船スペンサー・ベアード號がこれである。米國海軍後援のもとに、今夏から秋にかけて、北太平洋水域の探檢に出かけるもので、探檢隊の隊長はワレン・ウースター氏である。

「探檢の目標海域は、外アリューシャン列島の南、日本の東にある「科學的には未知な域」と言われているところであり、ほかに日本の東側にある「ラマポ海溝」もふくまれる筈である。ウースター隊長は、この探檢で世界で最もふかい海が發見されるかも知れない」と語つているが、こんどの探檢は、スクリップス研究所が太平洋で行う五回目の大規模な探檢であり、異つた各水域での魚族繁殖狀態の原因についても調査が行われるので、過去數年間のカリフォルニア沿岸イワシ漁業の不振など、漁業上の問題についても貢獻するだろうと研究所で發表しているそうだ。

右について日本の海上保安廳の須田水路部長は、次のように語り、この企てが、日本の海洋學のためにも寄與するところがあることを期待している。

「スクリップス海洋學研究所は世界一の研究所で、そこのピカ一の科學者が約三十人最も新らしい機械を積んでやつてくることになつている。七月十一日サンディエゴ出發アリューシャンに向い、ダッチハーバーからアダクアを經て、アリューシャン列島に沿い西太平洋を調査、九月十八日函館、十月五日横濱、同十七日神戸へやつてくる豫定だ。

「海底の地形、地質、深海魚類の調査、音波を利用して地殼構造の研究や海底など、いろいろと新しい機械を使つて未知の世界にメスを入れるわけだ。「ラマポ海溝」というのは小笠原の北方にある世界で一番深い海の一つ（ラマポという測量船が發見してつけた名前の海溝）だが、去年も米國船が測量して世界で一、二を爭う約一万一千メートルの深い場所を報告している。當然もつと深いところがあると考えられるわけで、こんどの探檢隊が發見する可能性は大いにある。

「函館からは横濱まで二一人、横濱から神戸まで二一人、日本の海洋學者を同船に乘込ませてこれらの進んだ機械の研究方法などを勉強するには絶好のチャンス、日本の海洋學のためにプラスするところは大きいだろう。」

二十世紀の神話（二五）

――（ブラジルに現れた天皇の特使）――

高 木 俊 朗

脇山大佐の暗殺されたのは昭和二十一年六月二日。その後、暗殺事件は各地に頻發し物情いよいよ騷然となつた。戰勝ニュースはますます怪奇となり、信念派はさらに狂信の度を加わる。

數回にわたつて、大量の日本人が一せいに檢擧された。留置場に滿員となつた日本人は、本望をとげた義士でもあるかのように、意氣揚々として、「愛國行進曲」を合唱しながら足を踏みならし[illegible]「[illegible]」一樣に同じ質問をされた。

「日本は勝つているか。負けているか。」

負けていると答えれば即座に釋放された。だが、大部分の日本人は頑強に

「日本は勝つている。」

といいはつた。

「なぜか。」

「神國日本は、負けるはずがない。」

「だが、これはお前たちの天皇の降伏の詔書だよ。（と示しながら）これでは、信じないわけには行きますまい。」

「では、お[illegible]ます。陛下は生きておいでになりますか。」

「生きておられる。」

「それなら、この詔書は偽物です。陛下は戰爭に負けられれば、降伏をしないで切腹をされるはずですから。」

このように答えてから、彼は一段と胸をはつて

「おかげで、日本が勝つていることが、はつきりしました胸がすつとしました。」

これらの犯罪者に對してはそれぞれに法の處分が行われた。なかでも、最も惡質な者は國外追放の處分をうけた。その理由は「當國の利益にとり有害なり」というのであつた。

國外追放の重い處分をうけた者は、臣道連盟の幹部、暗殺團の一味などであつた。その總數は實に百七十七名に達した。最近になつても、なお新たなこの處分の申請をうけた日本人がある。これほど多數の國外追放の處分が行われたことは、そしてまた、それが同一國人であり、一事件の關係者であることは、ブラジルの歴史にかつてないことであつた。

天皇の稅金（二）

必要經費を差引いた數字

だから拂う稅金も、東京や大阪ならザラにいるだろう中位の會社を經營する人たちと大同小異、大した額でもない譯だが、殘念ながらその確實な數字は判らない。というのは、五百二十七万なにがしという總所得金額は不變、必要經費、つまりそれだけの收入を生むためにかかつた費用を差引いた數字ではあるが、家族の醫療費、生命保險料、社會保險料、配當所得控除等々納稅者なら誰でも受けられる控除の權利が皇族の場合どうなつているかわからないからである。かりに天皇御自身が家族の中に生命保險に入つている方があるとすれば、昭和廿七年度中に拂つた保險料の最高四千圓まで控除することが出來る筈だが、この場合、そういう種類の控除はされ[illegible]扶養家族、つまり皇太子は國家保護を受けているとみなして除外し、皇后さまと義宮、清宮のお三人の分と基礎控除の五万圓だけを控除して稅額を計算すると、二、六〇二一八、五九〇圓になる。約半分を稅金としてお納めになつている譯だ。しかも、納稅方法も一切國民と同樣、豫定申告もなされば、確定申告も出される。一年を三期に分けてのお拂込みも、全然一個人としての御資格。もつとも申告者の氏名は內廷會計主管西原英治と、宮內事務官になつているが、これは一般納稅者が、一切を稅務代理士に任せているのと同じ意味で、稅務署談によれば「實に、[illegible]に[illegible]申告なさつて[illegible]」由。

北九州大雨で死傷者二千名

鐵道も道路も不通で工場は停止、百万人は家無し

【東京二十日發】過去六日間九州の北半分に大雨が降つてまるで大きな池となつてしまい死者四五七名、負傷者八二五名、行方不明七七六、家をなくした者百万人にのぼり損害一億四千万弗と見積られている。九州第一の都會福岡市(人口三十九万二千)や門司市(人口十二万四千)の住民全部は高所へ立ち退き、九州の鐵道全線は不通、道路も洗い流されて殆ど用をなさず、炭坑のシャフトは破壞し、工業すべても停止の狀態である。大雨と洪水で筑後川もハンランし沿岸の村落のうち一村全滅の所もあり、久留米市では囚人が刑務所から集團脫走した。米軍も藥品、飛行機、舟艇と共に出動して避難民救助に當つているが、死者の多くは水びたしの家から脫れ出たのち地辷にまき込まれたり、堤防決潰千五百ケ所の濁水に呑込まれたものが多い。大分縣下では米空軍機が山中の避難民に物資を投下して救援している。水害は近代日本に於ける最惡のもので福岡、佐賀、大分の三縣に亘つている。まだ雨模様で危險は去らない。

ト市協で九州水害救援を相談

トロント市協では木曜日夜梅園氏宅に於てチャプターと一世部の合同幹部會を開き、北九州水害罹災者救援について相談する。

(スエーデンに腸チブスが流行、既に廿二名死亡、六千人が罹病している)

チャーチル病氣

【ロンドン發】七十八歳の老齡にも拘わず戴冠式の行事をやりとげ病氣療養中のイーデン外相の代りまでやつてきたチャーチル首相は遂に疲れを見せ少くとも一ケ月間は靜養しなければならぬことになり、バーミユダに於る三國首腦會議は又もや延期となつた。デーリー・ミラー紙はチャーチル首相は引退すべきであると論じている。

バーミユダ會談が無期延期となつたのでその代りにワシントンで三國の外相會議を開くことを英國が提議、米佛兩國は贊成の模樣だ。

休戰條約署名要請

誠意認められずと共産側拒否

【京城廿九日發】國連側は共産軍側に對し、直ちに休戰條約に署名する時日を決めるよう要請した。李大統領の賛成如何を問わず休戰する考えらしく、連合軍のクラーク司令官は李大統領、米大統領特使ロバートソン其他と會談したのち直ちに共産軍側への申入れ書信を發したのである。

【京城三十日發】國連軍の申入れに對し共産側は直にラジオを通じて回答。誠意を認められず、事實と矛盾し、南鮮政府の將來の出方に關して保證がないという點を指摘して申入れを拒否している。

鮭漁業を週六日間

漁者組合の要請をオタワ政府許容

【晩香坡發】魚價問題が解決して一せいに出漁している約五千名にのぼる鮭漁者にとつて好ニュース——オタワ政府のシンクレア漁業相は特別閣令を以て鮭漁業の閉漁期間を一週一日間短縮して六日間就漁してよいと發表した。サモンの産卵期へのほゞ具合もよいので十日間のストライキによる漁獲損失をこれで埋め合せることになつたもので、在來は毎週金曜日夜半から日曜日夜半までは禁漁であつた。右の措置は漁者及漁業關係合同組合や漁船所有者組合の要請に對しオタワ政府で特別考慮を與えたものである。

(尙シンクレア漁業相は國際漁業委員會に漁者代表二名を指名する筈と發表しているが、これは未付任の事である)

全加市協の責任者

新執行委員會モントリオルで成立

【モントリオル發】向う二ケ年間全加市協の責任を引受けるべき全加市協執行委員は

△會長奥田博△第一副會長加藤ヨ一△第二副會長西尾レイ△幹事江畑トヨ△會計中島キミ△委員内田エミ、小野善雄、片栗サム、落合幹自の九氏が選任され目下各州市協支部の是認を求めている。奥田會長は一九四七年以來全加市協の會計の職にあり現在はクエベック市協の通信幹事である。

[illegible]何[illegible]市協の前會長、[illegible]はク市協の前會長、[illegible]現會長、小野氏[illegible]長部[illegible]幹事であるが各州市協の是認があつたらこの新幹部は九月一日から責任をとつて活動するわけであるが、有給者はパート・タイム幹事(七百弗)だけである。

[illegible]二[illegible]七月八日からバーミユダに於ける三大國(英米佛)首腦會議に出る筈だが、チャーチル病氣で又もや延期となる[illegible]

不具の身で夫を勵した

(CCF首領夫人逝く)

【オタワ發】シーシーエフの首領コールドウエル夫人ノラ氏(六四)は、コールドウエル氏がサスカチワン州で選擧運動遊説中、六月二十六日當地で死去した。同夫人は過去二十一年間不具の身であり、これを心痛した夫君は度々政治的活動を思い留まろうとしたものであるが、夫を勵まし輪付きのチエアに乘つて夫と共に演壇に現われるほどの協力ぶりであつた。

聯邦議員へ立候補

ビーシー州のシーシーエフ前首領

【晩香坡發】長いことビーシー州議會の政府反對黨首領をつとめて來たシーシーエフの前首領ハロルド・ウインチ氏は來るべきオタワ議會總選擧に晩香坡イースト區から立候補した。ウインチ氏は健康を理由に「引退」して首領の地位をウエブスター氏にゆずり州議會總選擧にも立候補せず、晩香坡島やハワイに休暇旅行して健康を取りもどして歸來しシーシーエフの集會で滿場一致の候補者推薦を受諾するや大歡呼を受けた。ウインチ氏はアンガス・マキニス代議士その他すべてから全幅的な支持を受けて居り、晩香坡イーストから出ていたマキニス氏は新たに設けられた晩香坡キングスウエー區から出馬する。

佛首相漸く決る

【パリ發】獨立派のジョセフ・ラニエル氏は各派から絶對多數の支持を得て首相になつた。戰後十九人目の首相で、三十七日間も政府の首班がなかつた。

大切な証明が行方不明

歸加二世の入國手續で市協盡力[illegible]

最近日本訪問から歸來したトロントの上野律一氏は、元晩香坡在住の重井綱職氏息女文子さん(三五)のカナダ再入國手續きをしてやつて一と足さきに出發、重井さんはその後の横濱出帆米國船に乘り米國經由でトロントに歸る途中、南オンタリオ州のサニアの對岸、ポートヒユーロン移民館で足留めされている。理由は東京のカナダ大使館で受けた再入國許可證を入れたカバンが行方不明になつた爲め、カナダに入國できる證明書がないからで、荷物が屆いても入國許可證が見付かるまでは移民館に留め置かれるわけである。

[illegible]るが、上野律一氏はトロント市協[illegible]事件を[illegible]、[illegible]氏は全加市協・田中幹事と共にトロント移民館に交渉、カナダ出生の事實證明を得た上直ちに東京カナダ大使館に電報を發してくれたので其の返事が到着次第入國を許され、その上で改めて調査して萬事解決することになるであろう。

森記者訪日の途へ

本紙記者森研三氏は二十八日發シーピー列車でバンクーバーに向つてトロントを出發訪日の途についた。森記者は日本滯在約一ケ月[illegible]カナダに歸り、ビーシー各地、中[illegible]原州を[illegible]豫定である。

There's really nothing ailing Japan's Davis Cup tennis players that our somewhat distraught weatherman can't cure.

However, for the first time in at least eight days, team manager Jiro Yamagishi and his three fellow-countrymen actually risked a smile. The break in their gloomy opinion of Vancouver's summer weather came at lunch at the Vancouver Tennis Club when a Seattle radio station released a long-range weather summary.

"You may not believe this," smiled Yamagishi, "but the report says summer is actually on its way to this area. We were just beginning to give up on your weatherman and get on the telephone to Victoria. They tell me they have grass over there and most important, it never rains in Victoria."

You couldn't help but appreciate the touring Japanese team's [illegible] at current weather. Since flying here June 15 from Tokyo, Yamagishi, Kosei Kamo, Atsushi Miyagi and Masanobu Kimura have only trained [illegible] for preparation for their important Davis Cup matches with the United States [illegible] July 9, 10 and 11 at the Vancouver Lawn Tennis Club.

Like Western Movies

[illegible] sleep, write stacks of letters home, watch the driving rain from their hotel window, take in numerous wild and wooly movies and be entertained by local Japanese Consul.

"How come the western movies?" I asked.

"You see Kosei, Atsushi and Masanobu only know a few words of English," Yamagishi explained. "But the action is always the same in Westerns so they can get the drift pretty easily without knowing what the actors are saying."

The letter writing champion on the team is 21-year-old university student Kamo. He explained [illegible] English that he's written 50 letters and to date hasn't received a single answer. He takes quite a kidding from his pals when he says all of his letters are sent to his family.

Miyagi, another college boy, usually gets a letter a day but he won't admit they're from his girl friend at home.

Yamagishi and Kimura are the two married members of the team. Jiro has a boy eight who is just starting to play tennis, while Masanobu boasts about his five-year-old daughter. Jiro is in the export and importing business while Kimura is vice-president of his family's hand-painted bone china business.

They Like Those Steaks

[illegible]

"We had Art Larsen out there. He got $200 expense money which was used mostly for nightlifing. After being licked in the finals for our national championship, Larsen then complained about the Japanese balls after not bringing up this subject until then. It didn't make him too popular with the fans."

On the subject of training, Yamagishi showed he had a good sense of humor.

"The day usually starts with me trying to wake up the youngsters around 11 o'clock. Then they've got to write a few letters home and eventually we get out to the courts just in time for it to rain. However, if the clouds stay away we do manage to get in about five hours' good practice, usually on the cement courts because the grass is too damp to play on."

What do Japanese tennis players eat while in training?

It may surprise you but they've become accustomed to our fare, chiefly because Japan has many restaurants featuring western food. They like steaks, salads, pie, chocolate sundaes, tea, coffee and milk.

THINK OLD U.S. ISSEI OVERGENEROUS WITH GIFTS TO WASHINGTON OFFICIALS, TAKEN TO HOSPITAL

WASHINGTON — You just don't go around leaving gifts to "honorable" statesmen on Capitol Hill without reason or you get suspected of being a little off the beam.

An elderly little Japanese was taken last week to Gallinger Hospital for observation after authorities learned of his three-month escapade around the Washington rotunda, leaving wristwatches, binoculars and other gifts behind statues of statesmen and White House officials.

Capitol police were puzzled when they found two suitcases of gifts in the rotunda. They held them for the owner, but when the Japanese arrived with a third suitcase of presents bearing tags of prominent men they decided something was wrong with the man.

A tally of his effects revealed he had $1000 in his pockets, and more in his room together with a storehouse of new clothing.

Among the items was a set of new shirts for Supreme Court Justice Tom Clark who [illegible] he had never heard of the [illegible] philanthropist.

An interpreter from the Library of Congress was rushed to the side of the confused man but he found nothing wrong with him.

The man registered at the Stratford Hotel as Tossy Saki from Price, Utah.

The hotel proprietor, Fannie McVeigh, however was all for the Japanese. "If Tossy is nuts, I've got a whole hotel full of raving maniacs. He's never been in any trouble. He's got to have a '5' or a '5' in his room number so he's lived in 505 or 405 the whole time."

She said that he arrived here in March, spent the first few weeks visiting all parts of the city in taxicabs.

On one of these jaunts, Saki was picked up by the police when residents of Wellington Village, a suburb, complained he just didn't belong in their neighborhood.

The Fairfax police, however, after keeping him for several hours, sent him home [illegible] of all things, in a taxicab.

Pvt. William Berry said, "You just can't charge a man with [illegible]"
